

GlobalTech Software & Hardware Refund Policy

1. Digital Software Subscriptions

GlobalTech offers a strict 14-day money-back guarantee for all digital software subscriptions (including Pro and Enterprise tiers). If a refund is requested within 14 days of the initial purchase date, a full refund will be issued to the original payment method. No refunds will be granted for software subscriptions after the 14-day window has expired.

2. Physical Hardware Purchases

Physical hardware (including servers, cooling units, and peripheral devices) may be returned for a full refund within 30 days of the delivery date. The hardware must be in its original packaging and show no signs of physical damage. A 15% restocking fee will be applied to any hardware returned without the original packaging.

3. Promotional and Discounted Items

Any items, whether digital or physical, purchased using a promotional discount code or during a holiday sale are considered final sale. These items are strictly non-refundable under any circumstances.

4. Processing Times

Approved refunds will be processed within 5 to 7 business days. Funds will only be returned to the original credit card or bank account used for the transaction.
